

About Us

The multi-product company Artifex is a family-run business established in 1990.

Artifex Company produces tea, granulated tea, instant drinks (fruit drinks, tea drinks, coffee drinks) and syrups. We provide production and custom packaging services.

We have successfully introduced quality management system based on ISO 9001:2008, HACCP norms and achieved certificate of accordance for packaging and custom packaging BIO teas.

Our high-tec production base is located in Wysogotowo. Using most advanced technologies and having most innovative and modern machine park, we fulfill needs of demanding clients.

Possession of our own quality control laboratory ensures that production process is tracked at every single point, starting from raw materials and intermediate products till final products. Thanks to quality management, we guarantee excellent and repeated quality of our goods.

Skilled, experienced team of professionals and serious attitude towards entrusted tasks, allows us to meet the most complex requirements of clients.

We constantly cooperate not only with the biggest Polish and international companies, but also with supermarket chains. However, smaller customers are treated with the same involvement and reliability.

Artifex tends to reduce production costs, therefore, we are able to remain attractive prices of our products and services.
