

Energy to be Mom

BABY & mama MED

About us

Innova Labs is a manufacturer owning its success to more than 30 years of sales experience as well as over 20 years of experience in herbal manufacturing.

Thanks to our cooperation with research centers in Poland, Australia and Denmark we create products of highest quality and proven function.

About us

Our brand **Baby&Mama Med** offers 100% natural herbal blends (dietary supplements) responding to the needs of a large population of women, who:

- are trying to get pregnant
- are already pregnant
- are breastfeeding

About us

All of of **Baby&Mama Med** products are formulated by a recognized Australian-Dutch Herbalist specializing in female reproduction.

Every ingredient has a specific function, based on scientific research and knowledge.

Products

BABY&mama MED

Women trying for a baby

Pregnant women

Nursing mothers

Products

- Every product contains 120 g of carefully selected, Bio (in most cases) ingredients.
- Each one is packed in a resealable bag, specifically designed to protect the content from external agents and humidity.
- All of our products have been quality tested and manufactured in an Bio-certified facility in Europe.

Distribution

Undergoing a rapid growth, we are currently seeking international trade partners. We look for distribution companies who are active in the following sales channels:

- food channel;
- drugstore chains;
- natural food stores / herbal stores;
- pharmacies.
