DEVELOPMENT FUND**

Project co-financed by the European Regional Development Fund
Under the Regional Operational Programme for Lubelskie Voivodeship

Why the City of Kraśnik?

Kraśnik is situated in the south-western part of Lublin voivodeship. The city is located in Urzędów Hills of Lublin Highlands, on the edge of Western Roztocze region. The city of Kraśnik covers the area of 26.1 square kilometers and is almost 10 km in length. The city has always been an important transportation hub in Poland.

Why the City of Kraśnik?

Today it is a key transportation hub in south-eastern Polish, the city is at the intersection of two state routes:

No. 19 from Kuźnica Białostocka to Lublin, Rzeszów and Barwinek (soon to become the S19 express route) and No. 74 connecting Sulejów, Kielce, Zamość and the Polish-Ukrainian border crossing at Zosin.

A very important part of the city's transportation infrastructure is the voivodship route No. 833 which leads to the newly built bridge across the Vistula at Kamień. Kraśnik is some 60 km away from Lublin Airport at Świdnik. The city also lies on the railroad route from Lublin to Rzeszów.

Why the City of Kraśnik?

Economic Potential

The City of Kraśnik`s is largely based on industrial production and processing. Also significant are metal production, printing and farming sectors, as well as service and retail. Among the city`s largest employers are Fabryka Łożysk Tocznych S.A. and Tsubaki Hoover Polska.

Economic Potential

Kraśnik is also home to number of Construction companies, transportation firms and others. Of note is also a chain of local brickyards, which have been a staple of local economy for years. The brickyards produce traditional, hand-formed red bricks using local resources of clay. Farming industry flourishes in the rural areas around the city thanks to good quality soils and pollution-free, unspoiled environment.

This is where some of Poland's best fruit and vegetables are grown, including raspberries, redcurrants and strawberries.

Investment Areas

Investment areas within the TSSE

On 21 April 2010, pursuant to a Regulation of the Council of Ministers, a subzone of the **EURO-PARK WISŁOSAN** Tarnobrzeg Special Economic Zone was created in Kraśnik. It covers a total area of 23,49 ha, divided into 12 investment plots sized from 0.36 ha to 4.0 ha.

Investment Areas

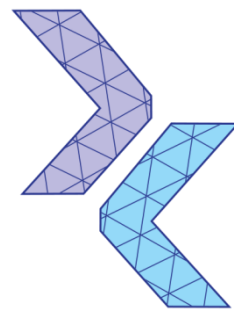

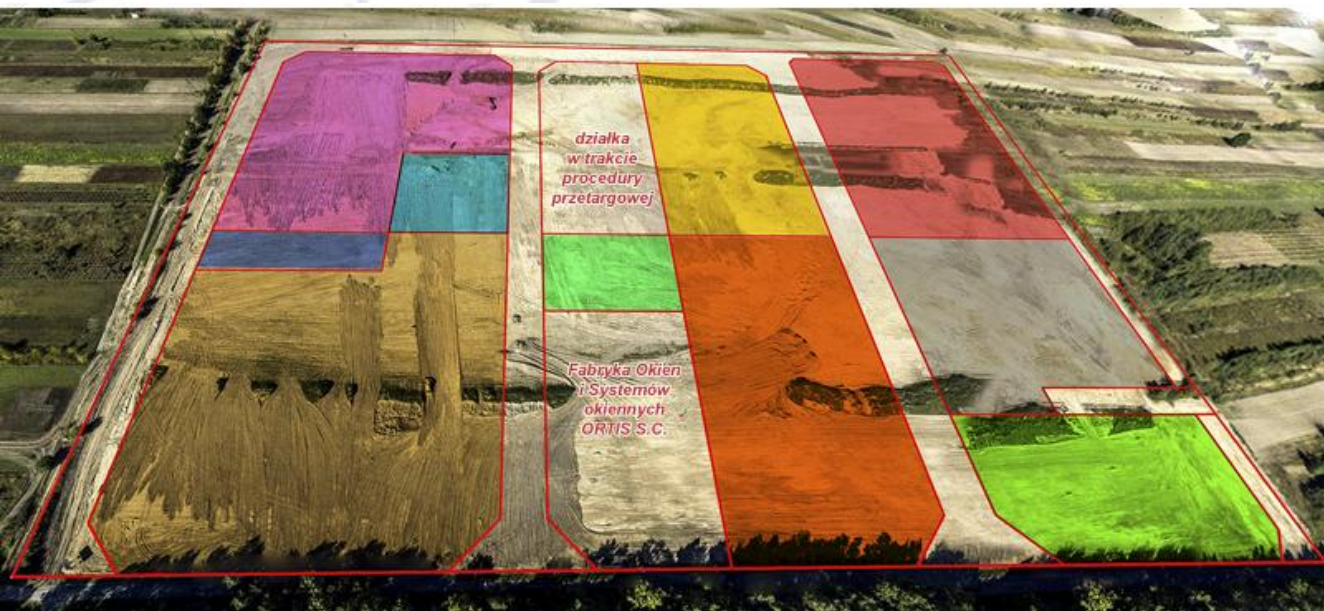

The businesses investing in special economic zones can obtain public aid in the form of tax exemptions for the costs incurred in the investment project or creation of new jobs. The maximum level of investments costs covered by tax relief is:

70% for small companies,
60% for medium companies and
50% for large companies.

A business is eligible for tax incentive provided at least one of the following conditions is fulfilled: innovation, unemployment rate in the region, support for development of industrial clusters or technological parks and rate of industrialization.

Kraśnik Leisure Time

Kraśnik offers a range of attractions for those who are fond of active leisure.

The Municipal Sports and Recreation Centre is one of the largest facilities of this kind in the Lubelskie Region. It includes a swimming pool, a sauna, tennis courts, skate parks, sports pitches, fitness trails, playgrounds and a skating rink. The eight-lane Olympic-size swimming pool is particularly worth to be mentioned. Within the city there are also three „Orlik” facilities, where one can play football and basketball, and two full-size sports and entertainment arenas.

Kraśnik Leisure Time

The Kraśnik Reservoir

For a several years now, the reservoir has been an important feature of the Kraśnik landscape.

It offers excellent opportunities to rest, engage in water sports or angling.

Cycling paths

The cycling paths have been designed to connect all the major districts of the city within a radius of several kilometres.

This is where the western part of Roztocze, one of the most picturesque parts of Poland, through which runs the Central Bicycle Trail, takes its origin. The first leg of the trail starts in Kraśnik and leads further to Szczebrzeszyn and Zwierzyniec. Kraśnik is also where the cycling path running from Kazimierz Dolny ends.
